

CADET G4

1,200 LUMEN TACTICAL/EDC FLASHLIGHT

NEW

The Powertac Cadet-G4 is a subcompact tactical and edc light. At a mere 3.57 inches in length, this pocket light offers an incredible 1,200 lumens on a single RCR123 rechargeable battery. A bidirectional clip allows for deep carry and can be clipped on the brim of a hat. Its compact size and high output makes it ideal for mounting on a PDW or for everyday carry.

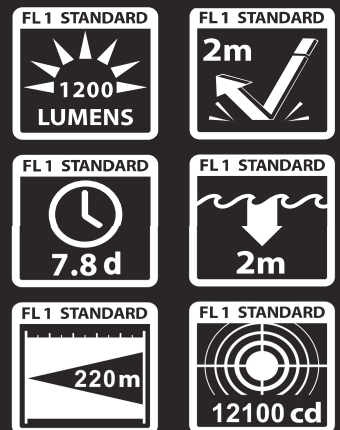

BATTERY: (1) RCR123A/16340 RECHARGEABLE LI-ION OR (1)CR123A
