

CADET-G4

TACTICAL / EDC FLASHLIGHT

T-Series

The Powertac Cadet G4 high-powered compact tactical light. At 3.57 inches in length, Cadet is the go to light for operators that need a high output light without the extra size and weight. The user friendly functionality includes a push button tail cap for ON/OFF, and a side selector button to adjust the brightness levels. Whether EDC or weapon mounted, the Cadet G4 is the optimal choice with super compact size and big performance.
