

PATROLMAN LE-10X

FULL SIZE PATROL / SEARCH FLASHLIGHT

The Patrolman is Powertac's new entry in the full size "patrol" light category. The large aluminum body of the Patrolman allows for a traditional underarm hold. Patrolman, With its steel tail cap and knurled strike bezel, the Patrolman is also the perfect tool for removing window glass from a vehicle. It features a simple two button interface and magnetic charging capability. The 4200 lumen bright light is the perfect compromise for excellent situational awareness and impressive long
