

WATCHDOG ODXLT

X-TRA LONG THROW / SEARCH FLASHLIGHT

PowerTac's Watchdog ODXLT is designed for extra-long throw and can reach out 1050 meters. Watchdog is excellent for long range/airborne search, security at large installations, rural law enforcement and military applications. It is also a favorite of many sportsmen who utilize the built-in array of colored LEDs. The LED array can be used to conserve night vision (red), not spook animals (green) and for tracking purposes (blue). There is also an LED (blue and red) flashing sequence for Law enforcement use.

- X-TRA LONG THROW
- AGGRESSIVE KNURLING
- MULTI-COLOR LED (RED, GREEN, BLUE)

Battery: (2) 32650 - 6500mAh Li-ion Battery Pack

Size: Length: 267.3mm
 Bezel Diameter: 80mm
 Body Diameter: 37.4mm

Weight: 888g(with battery)

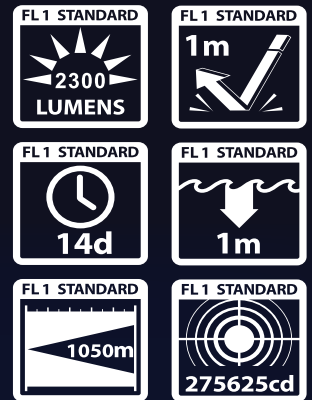

Output / Runtime:

White Focused Light:

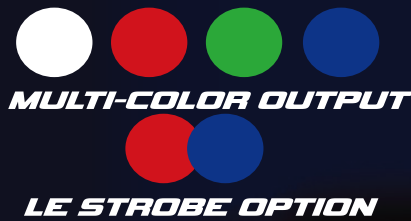

Firefly	Low	Medium	High	Strobe	S.O.S.
10 Lumens	160 Lumens	760 Lumens	2300 Lumens	2300 Lumens	2300 Lumens
14 Days	28.4HRS	5.32HRS	2.96HRS	6hrs	6 hrs

Color Diffused Light:

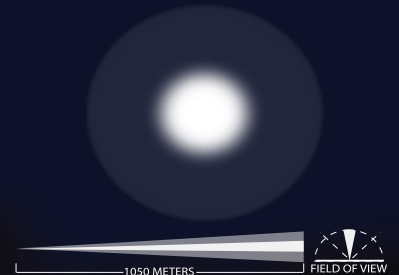

White	Red	Green	Blue
180 Lumens	50 Lumens / 630nm	140 Lumens / 530nm	30 Lumens / 460nm
12 hrs	14 hrs	12 hrs	12 hrs

All performance data are results of testing to ANSI / NEMA FL1-2019 Standards

New Magnetic Charge Port

KIT INCLUDES

- (1) WATCHDOG ODXLT FLASHLIGHT
- (1) 100-240V MAGNETIC CHARGER
- (1) SHOULDER SLING
- REPLACEMENT O-RINGS
